

VINDICTIVE PROCESSION

The Adepta Sororitas most venerable leaders can combine intractable faith with military precision. Where other forces would lose discipline in their eagerness to punish the Emperor's foes, those who exhort the principles of the Doctrina Redactus leave nothing but melted rubble in their wake. Such a procession is only ordered in response to the most dire offenses against the Imperial Creed, entire worlds being burned beneath cleansing flame. The procession begins at a chosen meridian of the target world, and then the solemn march of purgation begins. Only those with true Hatred of humanities enemies and traitors can steel their hearts to commit such unrelenting destruction. Once sworn, the march cannot be halted except by fiery conclusion or the deaths of the entire force.

DETACHMENT RULE

MARCH OF PURGATION

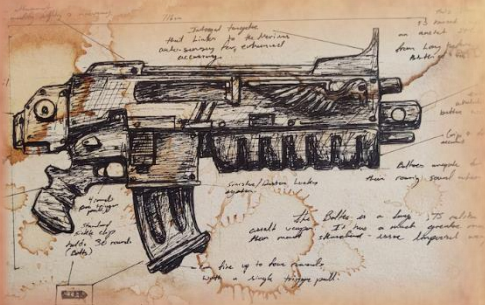

The spiteful procession of the battle orders of the sisterhood cannot be denied their solemn vow of annihilation. With whispered prayers they march to the enemy's extinction, silent except for the orders of their commanders and the screams of the dying.

During your shooting phase INFANTRY units with an attached character get +1 to wound with ranged weapons that have a strength characteristic of 4 or lower and those weapons gain the [PISTOL] keyword.

FUELED BY SACRIFICE

Inspired by the fallen, the procession's grim task is resolved in crucible of war. As one battle sister falls, they close ranks and continue the assault.

Once per battle Round you may pay 2 miracle dice and gain 1 CP.
